

SUSANA NETO
CURRICULUM VITAE

I- PERSONAL INFORMATION

Personal details

Date and place of birth: 4 November 1956, Luanda (Angola)

Address and contacts

Private address: Rua Prof Delfim Santos, 9 – 1º D, 1600-610 Lisboa - PORTUGAL

Mobile: (+351) 91 4772906

Private E-mail: susana.neto@netcabo.pt

Skype contact: susana.neto

Linked_In profile: <http://www.linkedin.com/in/susananeto>

II-ACADEMIC PROFILE AND RESEARCH ACTIVITIES
--

Education

PhD in Urban and Regional Planning, **2010**, IST / Technical University of Lisbon

MSc in Urban and Regional Planning, **1987**, Technical University of Lisbon

Degree in Civil Engineer, **1982**, Technical University of Lisbon

Scientific Research Domains

Urban and Regional Planning; Territorial Planning; Integrated Water Management; Water Governance; Sustainable Development

Main Research Areas

Territorial Integration of Water Resources Management; Water Governance; Social, Institutional and Political aspects of Global Water Issues; Sustainable Urban Development; Innovative Learning Methodologies and Knowledge Exchange; Development of Technologies for Water Scarcity Management at Local Scale.

Main Research and Academic Activities

(2013) Elected **President of the Scientific Committee** of General Directorate of the Territory (Ministry of Environment, Spatial Planning and Energy) of Portugal

(2013) Invited to be **President of the Scientific Committee** of the VIII Congresso Ibérico to be held in Lisbon in 5-7 December 2013

(2013-2012) Appointed **Adjunct Professor at the University of Western Australia**, within the Centre of Excellence for Ecohydrology (initial appointment from 7 December 2012 to 6 December 2015)

(2013-2012) **Associate Researcher at the Centre of Excellence in Ecohydrology (CoEE)** in University of Western Australia (UWA)

(2013-2010) **Researcher at e-GEO**, Universidade Nova de Lisboa

(2013-2010) **Associate Researcher with ICCE** in the HELP activities and Research Proposals submitted to the EU and UWA partners in Australia

(2013-2003) **Associate Researcher at CESUR**, Technical University of Lisbon

(2013 – 2004) **Delegate and Coordinator of the Guadiana HELP Basin** in the context of the International Hydrological Program (IHP) UNESCO HELP Program

(2013) **Course co-designer and facilitator**, Australian Aid Agency (AusAID) funded course on *Irrigation and Water Resource Management* be delivered at UWA, in southwest Western Australia and in the Murray Darling Basin during January and February 2014

(2013-2012) **Course designer, facilitator and key lecturer**, Water and Agricultural Landscapes, MSc in *Integrated Water Management*, International Water Centre (IWC), Australia. Perth, November-December 2012

(2012-2011) **Member of the UNESCO Evaluation Team** assessing and making recommendations on the performance of the UNESCO Category II Centre for International Law, Policy and Science, Dundee University (December 2011 to April 2012)

(2012 – 2010) **Course Coordinator and Lecturer** at the ERASMUS MUNDUS Master Course, University of Algarve IWRM:

- IWRM and Global Water Issues Module – Dec 2012
- IWRM and Global Water Issues Module – Dec 2011-Feb 2012
- Summer course on Global Ecohydrology in Action – July 2011
- IWRM and Global Water Issues Module – Dec 2010-Jan 2011
- Invited presentation at launch of Erasmus Mundus MSc in Ecohydrology, University of Algarve, Portugal, September 2010

(2011) Invited **Member of the Scientific Committee** for the 2011 HELP Symposium 2011 HELP International Symposium (Panama, November 2011)

(2013-2011) **Senior Invited Researcher** in the Project “TransBasin” (PEOPLE Marie Curie Actions, International Research Staff Exchange Scheme, Call: FP7-PEOPLE-2011-IRSES)

(2009-2008) **Researcher in the ASEM WaterNet** project, Protocol between Technical University of Lisbon and University of Osnabruck (Case Study Guadiana), from 2007 to 2009

(2009 – 2005) **Researcher** in the Team for the Project funded by National Science and Technology Foundation (FCT) – “*Analysis of Stakeholder Expectations over Water Project Benefits in Water Scarce Regions: a Contribution to Water Governance (POCTI/AMB/57633/2004)*”

(2008) **Jury Discussant** of the MSC Final Discussion from Elvira Van Dunem, Economist, on ‘Water and Development’, ISCTE

(2007 – 2003) **Lecturer** at the Higher Institute of Engineering (Technical University of Lisbon) in disciplines of *Urban and Regional Planning* and *Territorial Engineering*.

(2005) – **Course Coordinator and Lecturer** (150 hours) of the **Module of Spatial Planning**, in the **Course of Environmental Management of Urban Centers**, organized by the National Administration Institute (INA), Cape Vert, Praia, August 2005

Other pro-academic and scientific activities

(2013) **Editor-in-Chief** of the Journal *New Water Policy and Practice: A platform for the world's emerging water leaders and thinkers*, supported by Policy Studies Organisation, Washington DC

Other Teaching Activities (Short Courses and Classes)

Key-Lessons in Master and Post Graduate Course, and short-Courses Lecturer (2012 - 1986):

(2012) Key-lesson: *Territorial Integration of Water Management*, in Master Course *Integrated Water Management*, International Water Centre (IWC), Australia. Perth, November-December 2012

(2012) – Key-Lesson: *Integração Territorial da Gestão da Água e Evolução de Políticas Europeias*, to the Master Course **Desenvolvimento, Diversidades Locais e Desafios Mundiais** (ISCTE, April 2012)

(2012) – Key-Lesson: *Recursos Hídricos de Portugal*, to the Master Course in **Spatial Planning**, Universidade Católica (June 2012)

(2002) – Key-Lesson: *Processo de Preparação da Cimeira de Joanesburgo e o Desenvolvimento Sustentável*, to the disciplin of **Economia do Território**, Licenciatura de Economia do Instituto Superior das Ciências do Trabalho e da Empresa (ISCTE, Nov. 2002)

(2001) – Key-Lesson: *Planeamento de Recursos Hídricos e o Desenvolvimento Sustentável*, to the disciplin of **Economia do Ambiente**, Licenciatura de Economia do Instituto Superior das Ciências do Trabalho e da Empresa (ISCTE, May 2001)

(2001) – Key-Lesson: *Evolução dos Problemas Ambientais e as Políticas Europeias*, to the disciplin of **Economia do Território e do Ambiente**, Licenciatura de Economia do Instituto Superior das Ciências do Trabalho e da Empresa (ISCTE, Oct. 2001)

(1999) – Key-Lesson: *Enquadramento Internacional e o Processo de Planeamento dos Recursos Hídricos em Portugal*, to the disciplin of **Economia do Território e do Ambiente**, Licenciatura de Economia do Instituto Superior das Ciências do Trabalho e da Empresa (ISCTE, Nov. 1999)

(1997) – Set of Key-Lessons: *Ambiente e Recursos Naturais*, to the disciplin of **Economia do Ambiente**, no âmbito da Licenciatura de Economia do Instituto Superior das Ciências do Trabalho e da Empresa (ISCTE /, (Maio a Junho de 1997)

(1994) - Key-Lesson: *Estado do Ambiente na Europa Comunitária*, Curso de Mestrado de **Ordenamento do Território**, da Univ. Nova de Lisboa (Janeiro de 1994)

(1993) - Key-Lesson: *Problemas Ambientais a nível Mundial e na Comunidade Europeia*, Curso de Mestrado de **Ordenamento do Território**, da Univ. Nova de Lisboa (Abril de 1993)

(1992) - Key-Lesson: *Gestão dos Recursos Naturais e o Desenvolvimento Sustentável*, Curso de Mestrado de **Ordenamento do Território**, da Univ. Nova de Lisboa, (Janeiro de 1992)

(1990) - Key-Lesson: *Gestão dos Recursos Naturais num Contexto de 'Desenvolvimento Sustentável'*, Curso de Mestrado em **Sociologia**, Instituto Superior de Ciências do Trabalho e Empresariais (ISCTE), (Março de 1990)

(1989) - Key-Lesson: *Gestão Global dos Recursos Naturais, Desenvolvimento Regional e o 'Desenvolvimento Sustentável'*, to the disciplin of **Planeamento Regional**, Curso de Mestrado em **Planeamento Regional e Urbano**, Universidade Técnica de Lisboa (Nov. 1989)

(1988) - Key-Lesson: *Gestão dos Recursos Naturais e o Desenvolvimento Regional 'Endógeno'*, Licenciatura em Engenharia do Ambiente e Ordenamento do Território da Universidade Nova de Lisboa (Jun. 1988)

(1988) – *Short-Course: Introdução ao Saneamento Básico e Recursos Hídricos do Curso de Formação de Operadores de Saneamento Básico*, organized by PROJECTOPLANO (Set/Oct 1988)

(1987) - Key-Lesson: *Gestão Integrada dos Recursos Hídricos no quadro do Planeamento Territorial*, to the discipline of **Planeamento Regional**, Curso de Mestrado em **Planeamento Regional e Urbano** da Universidade Técnica de Lisboa, (Novembro de 1987)

(1987) - *Short-Course: Formação de Agentes de Desenvolvimento Local*, Course organized by Federações de cooperativas FINCOOP and FECCOPSERV, and cooperativa SEIES, **Módulo de Desenvolvimento Regional e Ambiente** (Oct. to Dec. 1987)

(1988-1986) – *Annual Lectures: Desenvolvimento e Ambiente* to the discipline of **Sociologia da Saúde**, Técnicos de Saúde Pública (1986, 1987, 1988)

(1986) - *Short-Course: Formação de Agentes de Desenvolvimento Local* Course organized by Federações de cooperativas FINCOOP and FECCOPSERV, and cooperativa SEIES, **Módulo de Desenvolvimento Regional e Ambiente** (Jun. to Dec. 1986)

Organization or Invitation for International Meetings

(2013) invited to be President (Portugal) of the Scientific Committee of the VII Iberian Congress of the Foundation on New Water Culture, to take place on December 2013 in Lisbon

(2013) – Convener in EGU Vienna Session HS10.12. *Anthropogenic impacts on downstream estuarine and coastal ecosystems: an interdisciplinary approach to ecohydrology*, Co-Conveners: Jeff Camkin, Neil Coles, Luis Chicharo, Andrew Allan, Manuela Silva, Vienna, Austria, 07 – 12 April 2013 (Link: <http://meetingorganizer.copernicus.org/EGU2013/session/11797>)

(2012) – Convener in EGU Vienna Session HS10.3. *Land-water interaction at the river basin scale: Ecohydrology approaches to understanding the impact of upstream processes on downstream estuarine and coastal ecosystems*, Co-Conveners: Luis Chicharo, Neil Coles, Jeff Camkin, European Geosciences Union, General Assembly 2012, (EGU2012), 22 Apr 2012 – 27 Apr 2012, Vienna, Austria

(2011) - Convener in EGU Vienna Session HS9.8. *Land-water interaction at the river basin scale: Ecohydrology approaches to understanding the impact of upstream processes on downstream estuarine and coastal ecosystems*, Co-Conveners: Luis Chicharo, Neil Coles, Jeff Camkin, European Geosciences Union, General Assembly 2011, (EGU2011), 03 Apr 2011 – 08 Apr 2011, Vienna, Austria

(2011) Invited by UNESCO to present the Guadiana Basin case study at the **2011 HELP Symposium** in Panama, November 2011

(2011) Invited by UNESCO to present a paper to the **2011 IHES International Symposium Series UNESCO-IHP Joint HELP/Ecohydrology International Symposium “Restoring and Managing River for Future”**, in Daegu, Korea, 13-15 April

(2011-2010) – Invited by UNESCO to be Member of the Steering Committee for the 2011 HELP Symposium 2011 HELP International Symposium with the title “**HELP in Action: Best Practices to Implement Integrated Water Resources Management**” (held in Panama, November 2011)

- (2010) – Invited by UNESCO to participate in the Workshop on Tertiary Education Needs, Paris 1st July
- (2010) – Invited by UNESCO to participate in the 10th Kovacs Colloquim: *Hydrocomplexity: New Tools for Solving Wicked Problems*, Paris 1-2 July
- (2010) – Member of the Organizing Committee for International Seminar in the Douro River Basin for UNESCO IHP – HELP Program – *International HELP Symposium on River Basin Level Responses to Water Scarcity and Drought under Uncertain Climate Futures*, Mirandela 27, 28 May
- (2009) – Member of the Organizing Committee for the International Seminar in the Guadiana River Basin for UNESCO IHP – HELP Program – *Strengthening Water Governance for Sustainability*, Évora 24-26 June
- (2009) – Member of Organising Committee for the UNESCO-IHP HELP Program International Seminar *IWRM: From Concepts to Practical River Basin Plans*, 24th July, Brisbane, Australia
- (2009) – Member of the Organizing Committee for International Seminar on *Water as a Human Right*, Lisbon 10th January
- (2008) – Member of the Scientific Committee for International Seminar *Water in Africa – Hydro Optimism or Hydro Pessimism?*, Porto 2-3 October
- (2008) – Invited to present a key-speech on the Guadiana River Basin for *Mid Term Conference on ASEM WaterNet*, LNEC Lisbon 29-30 April
- (2008) – Co-convener in EGU Vienna in Session *Linkages between the sediment cycle and aquatic ecology: impacts of sediment and sediment-water interactions on habitats and ecosystems*, Vienna, Austria, 13 – 18 April 2008
- (2007) - Co-convener in EGU Vienna Session SSS15. *Soil erosion assessment and integrated approaches for remediation*, European Geosciences Union, General Assembly 2007, Vienna Austria, April 2007
- (2007) – Invited by the University of Osnabrueck to present in the Policy Day – ‘Guadiana River Basin Session’, CAIWA Conference, Basel, 13-15 November
- (2007) – Delegate of Guadiana River Basin for the HELP Southern Symposium (UNESCO) *“HELP in Action: Local Solutions to Global Water Problems – Lessons from the South”*, Johannesburg, 4-9 November
- (2006) – Invited to the Advanced Study Institute (NATO_ASI) *“Integrated Water Resource Management and Security in the Middle East”*, 6 – 17 de February, Israel (Arava Institute for Environmental Studies)
- (2006) – Delegate of Guadiana River Basin for the HELP Meeting in Megève *“Guadiana river basin: lessons for water governance”*, Paper presented at the HELP Meeting in Megève, 20 September
- (2004) – Successful Application of Guadiana to the **HELP Program** – accepted as ‘Evolving’ HELP Basin (Level 2)
- (2005) – Invited to the Formal Signature of *European Declaration for a New Water Culture*, Madrid, 18 February
- (2001) – Invited to present a paper and participate in the Workshop *“Water, Land, Agriculture, and Policies in the Mediterranean”*, IPTS / CE, Brussels, 19, 20 April

(2001) – Invited by European Commission for the Seminar organized by WWF and EC on “**River Basin Management – Good Practices**”, Brussels, 29, 30 May

(2000) – Participation in the Water Experts Meeting, Lisbon, 24, 25 January

(2000) – National representation in the **Preparatory Meeting of II Water World Forum** (HAIA), in the ambit of Portuguese Presidency of EU, Amsterdam, February

(1999) – Co-organizer of International Conference ‘**Pricing Water – Economic and Social Aspects**’, jointly by EC and Water Institute Portugal, Sintra, September

(1999) – Invited by Academie de l’Eau to the public presentation of “**Social Charter of Water**”, session organized by *Academie de l’Eau* de France and World Bank, Paris, 25 March, in the ‘Conservatoire des Arts et des Offices’, with presence of Presidents of Academie, Vice-President of WB, do Banco Mundial, organizers for WWF Haia and the Committee for ‘Global Water Vision’

(1998) – Invited by Global River Environmental Education Network (GREEN) for the 3 day Session “**Education for a New Water Ethics**”, Gent/Brussels, 23-25 September

(1998) – Co-Organizer of the Public Session for the presentation of the ‘**World Water Contract**’, chaired by Dr.Mário Soares and with invitees at higher international level, Lisbon, 11 and 12 September

(1998) – Participation in *expert meeting*, Valência, Spain, in the context of the preparação do ‘World Water Contract’, promoted by the Lisbon Group and University of Valencia, chaired by Prof.Riccardo Petrella, June

III- PROFESSIONAL PROFILE AND BACKGROUND EXPERIENCE

Main Professional Activities

(2013 - 2006) **Senior Officer** at the General Directorate (Spatial Planning and Urban Development) of the Ministry for Agriculture, Sea, Environment, and Spatial Planning:

- (2013-2007) URBACT II National representative and Member of Monitoring Committee for URBACT II Operational Program
- (2012-2007) EUKN National representative and Member of the Steering Group and Coordinator of National Focal Point for the European Urban Knowledge Network (EUKN)

(2009 - 2000) **Consultant** in the fields of Water Management, Sustainable Development and Environmental Studies:

- (2009-2007) With ASEM WaterNet in preparation of LNEC participation and Technical University of Lisbon (Case Study Guadiana)
- (2005) Municipality of Almada (Analysis of the Tariffication System)
- (2005) National Administration Institute (Coordination of Training in Cabo Verde, for Administration Capacity Building in African Lusophone Countries)
- (2004-2003) Environment Department (National Sustainable Development Strategy Implementation Plan)

(2002 - 2001) **Consultant** of the International Affairs Department (Ministry of Environment), for the preparation of the national position and participation in the Johannesburg Summit.

Edition of the National Policy Report - “Portuguese Policy for the Implementation of Agenda 21– Evaluation of Progress and Perspectives (1992-2002)” and implementation of the Ministry website for the Johannesburg Summit follow-up

(2001) **Consultant** of the Regional (Azores) Department for Spatial Planning and Water Resources, for the elaboration of Strategic Documents in the area of Water Planning and Policy

(2000 - 1997) **Senior Officer** in INAG (Water Institute / Ministry of Environment)

- **Assessor of the Project Team Leader** and coordination work for National Water Plan and 15 River Basin Plans

(1997 – 1995) **Senior Officer** in IPAMB (Ministry of Environment)

- Project Team for implementation of Agenda 21 in Portugal

(1994 – 1987) **Senior Officer** in GEPAT (Ministry for Planning and Territory Administration)

- Responsible for ‘Water Resources’ information and evaluation in the Annual Reports for Environment and Spatial Planning (REAOT 1987 to 1993)

(1987 - 1986) **Working Group in SIGRHID**, created by the Secretary of State for Environment to study the Reform of Water Management Institutional System in Portugal (Ministry of Environment)

Membership of Professional Societies

- Member of Ordem dos Engenheiros (Portugal)
- Member of Associação Portuguesa de Recursos Hídricos (APRH, Portugal)
- Founding Partner of Centro de Investigações Regionais e Urbanas (CIRIUS) / ISEG (Portugal)
- Founding Partner of Cooperative Sociedade e Território (Portugal)
- Founding Partner of Loja do Saber (Knowledge Network, Europe)
- Professional Member of Centro de Sistemas Urbanos e Regionais (CESUR), Technical University of Lisbon
- Member of e-GEO – University of Lisbon
- Partner of Fundação para a Nova Cultura da Água (FNCA, Península Ibérica)
- Member (Individual) of Fresh Water Network (FAN)
- Member of Water Supply and Sanitation Collaborative Council (WSSCC)
- Member of Gender and Water Alliance (GWA)

Languages

Portuguese – mother language

English, French – fluent speaking, reading and writing

Italian, Spanish – speaking and reading

IV- PUBLICATIONS

Books

1. (2006) “**Água: bem público, gestão privada?**” (*Water: public good, private management?*), Animar, série *palavra oportuna* / 4 January (co-author with João Bau)

Thesis / PhD Dissertation

2. (2010) “**Water, Territory and Planning. Contemporary Challenges: towards a Territorial Integration of Water Management**” (Waiting proposed publication to UNESCO)

Thesis / Master Dissertation

3. (1993) “**Intervenção Municipal para uma Gestão Integrada dos Recursos Hídricos**” (Municipal Intervention for an Integrated Water Management), synthesis of the contents of the Master Dissertation in Urban and Regional Planning, in Boletim APRH Supplement ‘Investigação em Recursos Hídricos’, Nº 75/76, Feb/April

International Reports

4. (2012) “**Guadiana River Basin, Portugal**” in Special volume to be published: *HELP Book - Successful stories on river basins*, Hydrology for the Environment, Life and Policy (HELP)
5. (2002) “**Portuguese Policy for the Implementation of Agenda 21 (1992 - 2002) - Evaluation of Progress and Perspectives**”, preparation of the World Summit for Sustainable Development (Johannesburg, August/September 2002), for the Foreign Affairs Cabinet (GRI) of the Ministry of Environment and Spatial Planning, Published by GRI/MCOTA, Lisbon, January 2002
6. (1993) “**Water Management in Portugal. 3rd Report: Review of Administrative and Institutional Structures**”, co-author Francisco Nunes Correia, Water Research Centre, July
7. (1993) “**Water Management in Portugal. 2nd Report: Review of Practical Measures for Water Management**”, co-author Francisco Nunes Correia, Water Research Centre, June
8. (1993) “**Water Management in Portugal. 1st Report: Legal Framework and Implementation of EC Legislation**” co-author Francisco Nunes Correia, Water Research Centre, May
9. (1990) “**Environment and Economics**”, Task Force ‘Environment and Economics’ Report, CEE/ONU, presented in Geneve, February (Contribution to Chapters III and V)
10. (1989) “**Economic and environmental impact of the single market – qualitative analysis**”, co-author with António José Mendes Baptista e Pedro Liberato, Portuguese contribution for the Task Force ‘Single Market and Environment’
11. (1989) “**Sustainable Development**”, Portuguese contribution for the Conference of Bergen 1990 (Contribuição para o capítulo ‘Economia Sustentável’)
12. (1987) “**Collection and Treatment of Data for the Management of Renewable Natural Resources in Portugal**”, Report of the Portuguese contribution to the European Program FAST II - área RES ‘Desenvolvimento Integrado dos Recursos Naturais Renováveis’, Publicado por DGRN em Lisboa, Out./Nov. 1987

Peer-reviewed Publications

13. (2013) **“New learning foundations for building water knowledge bridges”**. Camkin, J. and Neto, S. Journal of Contemporary Water Research and Education, Issue 150, Special issue on Water Education for Sustainability in Higher Education, March 2013, Universities Council on Water Resources. 72-79
14. (2012) **“Building synergies from the UNESCO-IHP HELP and Ecohydrology Programmes in the Guadiana river basin”**. Neto, S., Chicharo, L. and Camkin, J., UNESCO-IHP HELP International Symposium Building Knowledge Bridges for a Sustainable Water Future, Republic of Panama, 21-24 November 2011. Published in Symposium Proceedings, 2012.
15. (2011) **“Adaptive Water Management in a Changing Climate - a formal comparative analysis of eight water management regimes in Europe, Africa, and Asia”**. Huntjens, P., Pahl-Wostl, C., Rihoux, B., Flachner, Z., Neto, S., Koskova, R., Schlueter, M., Nabide Kiti, I., Dickens, C., Environmental Policy and Governance, Volume 21, Issue 3, 145-163
16. (2011) **“Drivers for change in Water Policy: the Guadiana HELP Basin experience”**. Neto, S., Journal of Hydrologic Environment. 17, 11
17. (2008) **“The role of adaptive and integrated water management (AIWM) in developing climate change adaptation strategies for dealing with floods and droughts - A formal comparative analysis of eight water management regimes in Europe, Asia, and Africa”**. 35. (1983) **“Cartografia Automática em Planeamento Regional e Urbano”** (*Computer design for Urban and Regional planning*), in Revista *Arquitectura* no 148, Janeiro/Fevereiro de 1983 (Lisboa: Ed. Casa Viva) (em co-autoria com J.M.Viegas, J.A.Ferreira, J.Cerol e G. Simões)

Papers presented in Scientific and Technical Meetings

36. (2013) **“Outros modelos de políticas da água em diferentes regiões do globo e as prioridades de intervenção em diferentes contextos, incluindo a evolução dos paradigmas de planeamento integrado de recursos hídricos”**. Key-Speech to the Congress VIII Congresso Ibérico de Gestão e Planeamento da Água to take place in Lisbon (1-5 December)
37. (2013) **“Opportunities for International Water Governance: the Guadiana Basin Experience”**, presented to the TWAM Conference on Transboundary water management across borders and interfaces: present and future challenges, Aveiro 16th to 20th March 2013
38. (2012) **“Stakeholder involvement and water governance”**. Neto, S. and Camkin, J. International Summer Course in Ecohydrology, University of Algarve, Faro, Portugal, 2nd August 2012
39. (2012) **“The role of scientific knowledge in the implementation of the Albufeira Convention”**, presented to the 3rd Annual International Law & Transboundary Freshwaters Workshop 2012 in Dundee, Scotland on 11th to 14th June
40. (2011) **“Building Synergies from the UNESCO-IHP HELP and Ecohydrology Programmes in the Guadiana River Basin”**, presented to the 2011 HELP Symposium in Panama (21-24 November), paper co-authored with Luis Chicharo and Jeff Camkin
41. (2011) **“New learning foundations for building water knowledge bridges”**, presented to the 2011 HELP Symposium in Panama (21-24 November), paper co-authored with Jeff Camkin
42. (2011) **“Drivers for change in Water Policy: the Guadiana HELP Basin experience”**, paper presented to the 2011 IHES International Symposium Series UNESCO-IHP Joint HELP/Ecohydrology International Symposium “Restoring and Managing River for Future”, Daegu, Korea, 13-15 April
43. (2010) **“Transboundary Management of the Guadiana River Basin between Spain and Portugal”**, paper presented to the Drylands, Deserts & Desertification Conference, 8 – 11 Nov, Israel
44. (2010) **“Learning to address complex challenges: lessons from Australia and Europe”** (co-author with Jeff Camkin), paper presented to the 13th River Symposium, Perth Australia, 11-14 October
45. (2010) **“Changing community values about water: The large dams Alqueva (Portugal) and Argyle (Australia)”**, (co-author with Jeff Camkin), paper presented to the 13th River Symposium, Perth Australia, 11-14 October
46. (2010) **“Água, território e planeamento: Integração territorial da gestão da água”** (*Water, Territory and Planning: the territorial integration of water management*), paper presented to the 10 th water Congress APRH, Alvor, Algarve, Portugal, 22-24 March
47. (2010) **“Responding to a changing world: Large dams, bigger dreams and the impact of changing community values about water”** (co-author with Jeff Camkin), paper presented to the 10 th water Congress APRH, Alvor, Algarve, Portugal, 22-24 March
48. (2009) **“Critical reflections on multi-stakeholder dialogues on water: experiences in Asia and Europe”** (co author with Patrick Huntjens, Jeff Camkin and Louis Lebel), paper presented to the *Final Conference of ASEMWaterNet*, Changsha, China 17 – 19th November
49. (2009) - **“UNESCO HELPing River Basin Planning in the Guadiana, Portugal”**, (co-author with Jeff Camkin / CSIRO Australia), paper presented to the 12th River Symposium, Brisbane (Australia), 21-24 September 2009

50. (2009) **“Water and Human rights in the context of public and private management”**, paper presented to the Internacional Seminar “Em Defesa do Direito à Água” , ICS, Lisbon 10 January
51. (2008) **“Guadiana Basin”**, ASEM Midterm Conference LNEC Portugal 29-30 April 2008
52. (2008) **“Matriz de sustentabilidade: um desafio de pura aritmética?”** (*Sustainability matrix: a pure arithmetic’s challenge?*), FCSH, University of Lisbon 22 Abril
53. (2008) EGU **“Water cycle, scales and vulnerability”** - European Geosciences Union, General Assembly 2008, Vienna, Austria, 13 – 18 April 2008
54. (2007) **“Effectiveness of transboundary cooperation on the Guadiana”**, Policy Day , CAIWA, 14 November
55. (2007) **“Presentation on Guadiana HELP Basin – Portugal (2003-2007)”**, HELP Southern Symposium, Johannesburg, 4 - 9 November
56. (2007) **“Governância da Água”** (*Water Governance*) – Speech to the Society of Geography in Lisbon in the Seminar “Desertificação numa Perspectiva Multidisciplinar” (*Desertification in a Multidisciplinary Perspective*), Lisbon 14 June
57. (2007) **“Water Framework Directive: Changes in the territorial planning systems”**, in the Workshop *Using WFD to Generate Sustainable Futures in Mediterranean-Climate Regions*, FLAD, Lisbon 1 June
58. (2007) **“Changes in the territorial planning systems at river basin scale and local translation: the case of Guadiana River Basin (Portugal)”** European Geosciences Union, General Assembly 2007, Vienna, Austria, 15 – 20 April 2007 (co-author with F.N.Silva)
59. (2007) **“Discussion of the concept of water ‘scarcity’: comparative study of different management strategies”**, European Geosciences Union, General Assembly 2007, Vienna, Austria, 15 – 20 April 2007 (co-author with A.G.Henriques)
60. (2007) **“Influence of the Alqueva water input in the Guadiana basin territory – Indicators system”** European Geosciences Union, General Assembly 2007, Vienna, Austria, 15 – 20 April 2007 (co-author with P. Júlia and T. Patrícia)
61. (2007) **“Expectativas dos Stakeholders sobre os Benefícios de Projectos Hídricos em Regiões de Escassez de Água Contributos para a Governância da Água”**, FNCA 4-8 December (co-author MJ Roxo)
62. (2006) **“Água como elemento de Sustentabilidade”** (*Water as basis for Sustainability*), Paper presented at Workshop ‘Urbanismo Sustentável e Eco-arquitetura’ (*Sustainable Urbanism and Eco-Architecture*), November
63. (2006) **“Guadiana river basin: lessons for water governance”**, Paper presented at the HELP Meeting in Megève, 20 September
64. (2006) **“Future Expectations and Sustainability**, presented at Workshop *International Exchange* - Marvão / Castelo de Vide 21-29 July 2006
65. (2006) **“Novos Desafios para a Sustentabilidade”** (*New challenges for Sustainability*), Opening Speech to the *V Jornadas Ambientais da Beira Interior*, Escola Superior Agrária de Castelo Branco, April
66. (2006) **“Scale problems and institutional levels in Guadiana river basin”**, co-author with A.G.Henriques, Paper presented to the *Geosciences Assembly, Session NP3.08* (Vienna, April)
67. (2005) **“A Gestão da Água: Gestão do Recurso ou do Meio Natural?”** (*Water Management: natural resource vs environmental management?*), Paper presented to the *Symposium de Hidráulica e Recursos Hídricos dos Países de Língua Oficial Portuguesa (7º Silusba)*, Évora, 30 May to 2 June

68. (2004) **“O Acesso à Água: uma Necessidade ou um Direito?”** (*Access to Water: a need or a right?*), Paper presented to the IV Manifesta, na Sessão: ‘Água e Privatização dos Serviços’, Trancoso, Junho 2005
69. (2001) **“Contexto Internacional e Evolução do Conceito de Desenvolvimento Sustentável - Preparação Nacional para a Cimeira das Nações Unidas sobre Desenvolvimento Sustentável, em 2002 (RIO + 10)”** (*Evolution of Sustainable Development concept in the international context*), Comunicação ao Workshop da Fundação Americana para o Desenvolvimento, em 14 de Novembro de 2001
70. (2001) **“Territorial Approach in Water Uses Planning - a Strategic View”**, Paper presented to the Expert Meeting ‘Water, Land, Agriculture And Policies In The Mediterranean’ organizada pelo IPTS/CE, Brussels, 19-20 April
71. (2000) **“A Abordagem Territorial na Administração dos Recursos Hídricos como garante da Sustentabilidade”** (*Territorial approach in Water resources administration – basis for sustainability*), Paper presented to the II Congresso Ibérico sobre a Gestão da Água, Porto, November
72. (1999) **“O Planeamento de Recursos Hídricos e o Quadro do Ordenamento do Território no Contexto Europeu”** (*Water resources planning and European framework*), Paper presented to the IV SILUSBA, Coimbra, Fevereiro de 1999
73. (1998) **“O Sistema de Informação para os Planos de Recursos de Bacia Hidrográfica: Orientações para a Representação Cartográfica”** (*Information system for River Basin Plans: guidelines for cartography*), Paper presented to the IV Congresso da Água, APRH, Lisboa, Março de 1998
74. (1993) **“O Papel das Autarquias na Gestão do Ambiente”** (*Role of local Governments in Environment management*), Comunicação ao Seminário sobre “Ambiente e Qualidade de Vida”, UGT/UGC, Aveiro, Maio de 1993
75. (1992) **“A Gestão da Água e o Ordenamento do Território”**(*Water management and spatial planning*), Paper presented to the I Congresso da Água, subordinado ao tema “A Qualidade da Água em Portugal”, APRH, FIL, Lisboa, 11 a 14 de Março de 1992
76. (1991) **“A Gestão Municipal e a Gestão da Água”** (*Water management at municipalities level*), Opening Speech to the Seminar “A Gestão Municipal e a Gestão da Água”, 26 e 27 de Junho de 1991, APRH/SMAS de Cascais, Cascais
77. (1989) **“Intervenção dos Municípios Portugueses na Gestão dos Recursos Hídricos - Algumas Reflexões”** (*Participation of Portuguese Local Governments in Water management systems*), Paper presented to the “A Actividade dos Municípios no Domínio do Saneamento Básico”, (CIRIUS/UTL), Lisboa, LNEC, APRH
78. (1989) **“Matriz Experimental de Consumos de Recursos Naturais pela Industria Transformadora”** (*Matrix for natural resources consumption by industry*), Paper presented to the I.as Jornadas Nacionais sobre Industria e Ambiente, 6 e 7 de Junho 1989 de 1989, LNETI/DGQA, LNETI-Lisboa
79. (1989) **“Sistemas Integrados de Gestão da Água: o papel dos Municípios no caso português”** (*Integrated systems for Water Management: Portuguese Municipalities role*), Paper presented to the “Simpósio Internacional sobre Soluções Integradas para Problemas de Poluição da Água” (SISIPPA 89), APRH, LNEC, INRA UNESCO, 19-23 Junho, Lisboa, 1989
80. (1988) **“Interdisciplinary Approach to Water Management in Portugal - the Municipal Role”**, Paper presented to the “SPRING-FORUM 1988 on Regional Development Planning in Developing Countries: Facing the Facts”, Institut fur Raumplanung, Universitaet Dortmund, Novembro de 1988
